Club Auto Colorado brings a 15,000 sq. ft. facility premier collector car storage and clubhouse facility to the greater Denver metro area. It gives you an opportunity to meet and socialize with like-minded enthusiasts which is an important part of collector car culture and a major aspect of its charm and appeal. The Le May Car Museum, in the form of Club Auto Colorado is accepting cars for storage in their Lakewood club.

The Motor Sport Country Club of Colorado or MSCC is our exclusive and private club at The Ring of the Rockies Resort, which stretches over 2500 beautiful acres. Our resort will offer you the best in motorsports, from driving on the spectacular road race track, to ATVing on miles of rugged terrain.
